Dear Supporter,

## A MESSAGE FROM YOUR 30 for 30 AMBASSADOR

With the *Starlight Children's Foundation* entering into its 30<sup>th</sup> year of operation as a charity, I reflected on the all the amazing programs, inspiration and support it has given to thousands of seriously ill children and their families, and the profound difference they have made. I decided to think of a way I could honour the charity and celebrate its achievements.

My husband and I have personally supported Starlight now for 22 years through donations, hosting fundraisers, working on Starlight Day, attending events and assisting in the Wishgranting program.

We came up with concept of donating a one-off sum of \$30K for 30 years. Then we thought what if 30 individuals or corporates would do the same? Imagine the impact! That would be nearly \$1M to Starlight to not only say "thank you for an amazing 30 years" but could also run a Starlight Express room for one whole year.

30 for 30 has now launched and our company *Jaycar Electronics* is the first to donate into this initiative.  
We are excited to welcome you onboard too.

To the stars and back....

*K Johnston.*
