

SAFEGUARDING STATEMENT FOR CHILDREN

How to have fun and be safe at Starlight

At Starlight, we are all about having lots of fun, playing games, laughing, and learning new things.

So that you can make the most of your time, here is some handy information that will help you to feel comfortable, cared for, feel safe and be safe.

- If anyone asks you to do something that makes you feel unsafe or uncomfortable, it is **OK** for you to say **NO**.
- You are here to have fun so it's **NOT OKAY** for anyone to **HURT YOUR FEELINGS OR YOUR BODY**.
- If there is a time when you feel unsafe, uncomfortable or if you have been hurt please **TELL** a Starlight team member or someone you can trust. Anything that you tell us will be taken seriously.

If you aren't sure what a Starlight team member looks like here's what to look out for...

Captain Starlight is hard to miss, if you see this purple and yellow shirt, you've found them. They might even be wearing a silver cape which is pretty standard for Superheros.

Livewire team members are fairly laid back and cool, you'll find them in a navy T-shirt that looks like this.

Starlight volunteers help us out all the time and you will find them in a T-shirt that looks like this.

More information about our commitment to Safeguarding Children and Young People can be found on our website www.starlight.org.au.
